Each month, throughout the year The Gurnards Head highlight the work of a notable local artist in the snug. I was due to showcase my artwork in May. But due to Covid 19, the lockdown and temporary closure of The Gurnards Head this has been cancelled.

I have, however been able to put together a virtual exhibition so you are still able to see the work that would have been on show.

‘All the pictures are landscapes and inspired by the rugged north coast of West Penwith. Old hedges and field boundaries feature heavily as do dark skies and windswept moorland. I am drawn to the drama of the wind and weather and its effects on this beautiful part of the world.’

All pictures are framed in white glazed box frames. Size dimensions shown are for actual image size and not framed dimensions.

If you are interested in purchasing any of the pictures in this exhibition please telephone Sara on **01736 871202** or email: **sara@sarabevanartist.co.uk**
